Please comment on the Smith River Bonus Points

Implementing a bonus points program, akin to the existing hunter bonus program, on the Smith could prove beneficial. It offers an opportunity to generate revenue and enhance the likelihood of all applicants eventually obtaining a permit. It is important to ensure that the price of the Montana resident bonus point remains reasonable and limited in quantity, so as to avoid any perception of permits being sold to the highest bidder.

Please comment on the Smith River Bonus Points

I love this idea! Such a great way to tip things slightly to local residents.
